Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Trump. Putin. Brexit. Syria. Are we living through the run-up to the Third World War? Is there a method to this madness raging all around us? What if this is just the last part of a Trilogy, a series that started some 100 years ago? And what will happen next? These are some of questions the book seeks to answer. Trump was not supposed to win. Brexit was not supposed to happen. Islamist Jihad was supposed to die with the demise of Osama Bin Laden. And the 2008 crisis-driven bail-outs were supposed to solve our economic problems. Everything that was supposed to happen, did not happen. And not only did it not happen, actually the opposite took place! We are living in a world with plenty of "black swans." A Black Swan is a creature that is rare. An event so unlikely, yet looking back it makes perfect sense. Wonder why we believed it won't occur?! This book attempts to inform the reader of the black swans of the past so that he or she spots those rare creatures in the future! Starting from a brief background on World Wars 1 & 2, the book quickly gets into the thick of things. Things like the phenomenal rise of Islamist Jihad in the past 20 years, the stunning economic "de-leveraging" of the Western world, and the spectacular rise of China. The book seeks to tie it all in together, so that the reader makes sense of what is happening around. A world that seems complex and unpredictable begins to look more sequential and clear as the analysis dives deeper into events: past & present. Finally, the book tries to connect the dots looking back; to paint...
